I'm getting tired of you pushing me 'round
Dragging me down, making a sound
Because you wanna.
I guess that's why
I like messing with you
Putting you through
A lesson or two,
Because I'm gonna
Before I go my own way
I just gotta say

Leave me alone!
Get out of my face!
I'm tired enough feeling so misplaced!
Time for you to go
'Cause I'm better off on my own.
Leave me alone!
This isn't gonna work.
Don't call me on the phone!
Because I'm all out of words!
I'll face the unknown
Thinking about all the ways that I've grown
Leave me alone! (3x)

There was the time I thought you were the one
Having some fun, getting it done.
What an illusion!
'Cause you were trying to take control of me
That couldn't be!
I need to be free of this confusion!
Don't give me a guilt trip,
Because I'm so over it!

Leave me alone!
Get out of my face!
I'm tired enough feeling so misplaced!
Time for you to go
'Cause I'm better off on my own.
Leave me alone!
This isn't gonna work.
Don't call me on the phone!

Because I'm all out of words!
I'll face the unknown
Thinking about all the ways that I've grown
Leave me alone! (6x)

Don't turn around and don't look back,
I see right through all your selfless acts!

Leave me alone!
Get out of my face!
I'm tired enough feeling so misplaced!
Time for you to go
'Cause I'm better off on my own.
Leave me alone!
This isn't gonna work.
Don't call me on the phone!
Because I'm all out of words!
I'll face the unknown
Thinking about all the ways that I've grown
Leave me alone! (9x)

I'll feel better on my own..
