Mother mother
Can you hear me?
I'm just calling
To say hello
How's the weather?
How's my father?
Am I lonely?
Heavens know

Mother mother
Are you listening?
Just a phone call
To ease your mind
Life is perfect
Never better
Distance making
The heart grow blind

When you sent me out to see the world
Were you scared that I might get hurt?
Would I try a little tobacco?
Would I keep on hiking up my skirt?

I'm hungry
I'm dirty
I'm losing my mind
Everything's fine
I'm freezing
I'm starving
I'm bleeding to death
Everything's fine

Yeah, I'm working
Making money
I'm just starting
To build a name
I can feel that
Around the corner
I can make it
Any day

Mother mother
Can you hear me?
Yeah I'm sober
Sure, I'm sane
Life is perfect
Never better
Still your daughter
Still the same

If I tell you what you wanna hear
Will it help you to sleep well at night?
Are you sure that I'm your perfect dear?
Now just cuddle up and sleep tight

I'm hungry
I'm dirty
I'm losing my mind
Everything's fine
I'm freezing
I'm starving
I'm bleeding to death
Everything's fine

I miss you
I love you
