I saw it in the news.  
You told me they were wrong,  
And I stood up for you,  
'Cause I believed you were the one.  
You had all the chances in the world  
To let me know the truth.  
What the hell's wrong with you?

Are you even listening when I talk to you?  
Do you even care what I'm going through?  
Your eyes stare and  
They're staring right through me.  
You're right there, but it's like  
You never knew me.  
Do you even know how much it hurt,  
That you gave up on me to be with her?  
Revenge is sweeter than you ever were..

I'm so mad at you right now,  
I can't even find the words.  
And you're on the way down  
I can't wait to see you burn.  
You try to make me hate that girl,  
When I should be hating you.  
What the hell's wrong with you?

Are you even listening when I talk to you?  
Do you even care what I'm going through?  
Your eyes stare and  
They're staring right through me.  
You're right there, but it's like  
You never knew me.  
Do you even know how much it hurt,  
That you gave up on me to be with her?  
Revenge is sweeter than you ever were..  
Than you ever.. Than you ever were..  
Revenge is sweeter than you ever were..

Nothing can save you now that it's over  
I guess that you'll find out when you're no one.  
Don't say you're sorry now 'cause I just don't care!

Nothing can save you now, nothing!  
Nothing can save you now, nothing!

Are you even listening when I talk to you?  
Do you even care what I'm going through?  
Your eyes stare and  
They're staring right through me.  
You're right there, but it's like  
You never knew me.  
Do you even know how much it hurt,  
That you gave up on me to be with her?  
Revenge is sweeter than you ever were..  
Than you ever.. Than you ever were..  
Revenge is sweeter than you ever were..
