I am temperamental  
Like a heart without a home.  
I am sentimental  
But you don't know me at all!  
I have expectations  
I wanna be the one you call.  
And I want a conversation  
But you don't know me at all!

Hold on tight,  
I am, I'm a revolution!  
Close your eyes,  
I am (I am), I am  
I'll blow your mind,  
I am, I'm a revolution!  
Why do I have to explain,  
Who I am again and again?  
I amâ€¦!

I know what you're thinking,  
I can tell what you're waiting for,  
But I think that you're pretending  
But you don't fool me at all!  
If you knew me at all  
You'd take my picture  
And you'd hang it on your wall.

Hold on tight  
I am, I'm a revolution  
Close your eyes  
I am (I am), I am  
I'll blow your mind,  
I am, I'm a revolution!  
Why do I have to explain,  
Who I am again and again?

I didn't know that you've been wanting me,  
Oh, how's a girl supposed to know.  
Just when you think that it's all tragedy,  
Don't worry, baby, I'll go slow!

Hold on tight  
I am, I'm a revolution  
Close your eyes  
I am (I am), I am  
I'll blow your mind  
I am, I'm a revolution  
Why do I have to explain,  
Who I am again and again?  
(chorus x2)

I amâ€¦
