I go ooh ooh, you go ah ah..

I can't lie lie lie lie lie lie,
I wanna wanna wanna get get get what I want.
Don't stop! Give me give me give me what you got got,
'Cause I can't wait wait wait any more more more.
Don't even talk about the consequence,
'Cause right now you're the only thing
That's making any sense to me.
And I don't give a damn what they say,
What they think think,
'Cause you're the only one who's on my mind.
I'll never ever let you leave me,
I'll try to stop time for ever.
Never wanna hear you say goodbye!

I feel so untouched 1,
And I want you so much,
That I just can't resist you,
It's not enough to say that I miss you.
I feel so untouched right now,
Need you so much!
Somehow I can't forget you,
Been going crazy from the moment I met you.

… Untouched, And I need you so much!

See you, breathe you, I want to be you.
You can take take take take take time time
To live live the way you gotta gotta live your life.
Give me give me give me all of you you
Don't be scared!
I'll see you through the loneliness of one more more.
Don't even think about what's right or wrong,
Wrong or right,
'Cause in the end it's only you and me
And no one else is gonna be around
To answer all the questions left behind.
And you and I are meant to be,
So even if the world falls down today

You've still got me to hold you up up And I will never let you down!

I feel so untouched,
And I want you so much,
That I just can't resist you,
It's not enough to say that I miss you.
I feel so untouched right now,
Need you so much!
Somehow I can't forget you,
Been going crazy from the moment I met you.

Untouched, untouched, untouched, untouched, untouched, untouched, untouched…

I feel so untouched,
And I want you so much,
That I just can't resist you,
It's not enough to say that I miss you.
I feel so untouched right now,
Need you so much!
Somehow I can't forget you,
Been going crazy from the moment I met you.
(chorus x2)

Untouched, untouched…
