I'm gonna hold you for the last time  
I'm gonna cry but I should not to let it show  
This is the hardest way to say goodbye  
'Cause as you walk away  
I'm feeling so alone

I don't understand  
Why you had to leave  
And I'm not part of your plan  
We both agreed but now I regret  
There are so many things  
I should have said

But now I've let you go  
I'm holding back the tears  
I'm here alone, forgetting all the years  
And now there's nothing I can do  
To bring you back to me  
Oh, so we live our different lives  
It's so hard and there's no more you and I  
But we're worlds apart

Sometimes it's hard to get to sleep at night  
Sometimes I think about the way it could've been  
I see you everytime I close my eyes  
I tried to shut you out instead I let you in  
I can't pretend  
I wanted it to end for you and me

But now I've let you go  
I'm holding back the tears  
I'm here alone, forgetting all the years  
And now there's nothing I can do  
To bring you back to me  
Oh, so we live our different lives  
It's so hard and there's no more you and I  
And I'm missing you tonight  
But we're worlds apart

What I'd give for one more day  
Just to say the things I need to say

If only time was not erased

As you walked away  
I knew I couldn't explain to you  
And I can't pretend  
I wanted this to end  
For you and me

But now I've let you go  
I'm holding back the tears  
I'm here alone, forgetting all the years  
And now there's nothing I can do  
To bring you back to me  
Oh, so we live our different lives  
It's so hard and there's no more you and I  
And I'm missing you tonight  
But we're worlds apart  
We're worlds apart
