Baby, I'm coming home  
Don't ask me where I've been  
This road has been so long  
Sometimes I feel I can't go on

She says, "Hey boy honey, don't make me wait"  
I said, "Girl, don't worry, I won't be late"  
I miss you babe, and I wanna know  
Just if you'll stay to take me home

And every time I go I say the same d\*\*\* thing

Baby, I'm coming home  
Don't ask me where I've been  
This road has been so long  
Sometimes I feel I can't go on

I got 500 miles to go, I'm late  
And I still stay standing but it's in vain  
I got one more reason I'm up too late  
I got a hotel fever and I can't wait

And every time I go I say the same d\*\*\* thing

Baby, I'm coming home  
Don't ask me where I've been  
This road has been so long  
Sometimes I feel I can't go on
