The show is over, close the storybook  
There will be no encore  
And all the random hands that I have shook  
Well, they're reaching for the door  
I watch the backs as they leave single-file  
You stood stubborn, cheering all the while

I know I can be colorful  
I know I can be grey  
I know this loser's living fortunate  
'Cause I know you will love me either way

Most were being good for goodness sake  
But you wouldn't pantomime  
You are more beautiful when you awake  
Than most are in a lifetime  
Through the haze that is my memory, you  
Stayed for drama though you paid for a comedy

I know I can be colorful  
I know I can be grey  
I know this loser's living fortunate  
'Cause I know you will love me either way

Look ahead as far as you can see  
We live in drama but we'll die in a comedy

I know I can be colorful (when you live in black and white)  
I know I can be grey (my colors fade away)  
I know this loser's living fortunate  
'Cause I know you will love me either way

I know I can be colorful (when you live in black and white)  
I know I can be grey (my colors fade away)  
I know this loser's living fortunate  
And I know you will love me  
Yes, I know you will love me  
I know you will love me either way
