I should be half a mile from here

I will go anywhere she goes
Shoulder the bags of a previous lover
I will go anywhere she goes
Sleep on the pillow that reeks of another

A will of mine to be impressive
I'm an amorous man

I will go anywhere she goes
Travel whenever, whatever the distance

The court deemed me to be offensive
I'm an ominous man

Once love is unanimous
No order demands

I should be half a mile from here

The court deemed me to be obsessive
I'm the ominous man
Jury reject the alibi's seeminly watertight
For the ominous man

I am the ominous man
