When I was young I knew everything  
She, a punk who rarely ever took advice  
Now I'm guilt-stricken, sobbing with my head on the  
floor  
Stopped a babies breath and a shoeful of rice, no

Can't be held responsible  
'Cause she was touching her face  
I won't be held responsible  
She fell in love in the first place

For the life of me  
I cannot remember  
What made us think that we were wise  
And we never compromise  
For the life of me  
I cannot believe  
We'd ever die for these sins  
We were merely freshmen

My best friend took a week's vacation to forget her  
His girl took a week's worth of Valium and slept  
And now he's guilt-stricken, sobbing with his head on  
the floor  
Thinks about her now and how he never really wept he  
says

Can't be held responsible  
'Cause she was touching her face  
I won't be held responsible  
She fell in love in the first place

For the life of me  
I cannot remember  
What made us think that we were wise  
And we never compromise  
For the life of me  
I cannot believe  
We'd ever die for these sins  
We were merely freshmen

Hey Yah Eee Hah Eee Hah Eee Yah  
Hey Yaaah Hey Yah Eee Hah Eee Yah

We tried to wash our hands of all of this  
We never talk of our lack in relationships  
And how we're guilt-stricken, sobbing with our heads  
on the floor  
We fell through the ice  
When we tried not to slip  
We'd say

Can't be held responsible  
'Cause she was touching her face  
And I won't be held responsible  
She fell in love in the first place

For the life of me  
I cannot remember  
What made us think that we were wise  
And we'd never compromise  
For the life of me  
I cannot believe  
We'd ever die for these sins  
We were merely freshmen

For the life of me  
I cannot remember  
What made us think that we were wise  
And we'd never compromise  
For the life of me  
I cannot believe  
We'd ever die for these sins  
We were merely freshmen

We were merely freshmen  
We were only freshmen
