vibekingz-This letter

Yeah baby I hope you don't misunderstand me
-but i have to go

Haaa Haaa Haaa oaaooo yeaahx2

My philosophie was you and me,
even up my dreams it is you I see
The puzzle, the puzzle incomplete
can't you see you was all I needed
I'm sad trying to hold back,
but tears rolling fast
with this pain in my past
Honestly I feel weak,
well it's hard to explain
but you drive me insane

Refrain

Girl I wrote this letter to let you know forever
I keep you in my heart when I'm leaving you
Girl I wrote this letter and it ain't getting better
That is why I can't be with you
Ps: I still love you

My only question: do you miss me when I am gone?
Tell me girl?! Tell me

It is reality that you're playing me
You took my inner breath
Cause I was blind to see
Now I know that I have to go
Why don't you see I was all you needed
Wanna stay but it ain't ok that he is with you
And it's me who's alone

Refrain

Girl I wrote this letter to let you know forever
I keep you in my heart when I'm leaving you
Girl I wrote this letter and it ain't getting better
That is why I can't be with you

Ps: I still love you

I was the one that you could always count on, lean on
but those days are gone
All we have are memories of better days
Now I need to say goodbye

Refrain

Girl I wrote this letter to let you know forever
I keep you in my heart when I'm leaving you
Girl I wrote this letter and it ain't getting better
That is why I can't be with you
Ps: I still love you..(2x)
