Wo oh oh oh wo oh oh oh  
Wo oh oh oh wo ooohhh

When you're loving like me and your heart gets  
slapped  
You know, you know  
Cause you're finally sure will change when that clock  
rang out  
It's gone, it shows

Can you feel? Can you look in my eyes?  
Everywhere-where that I go  
Do you feel, do you recognize  
You can't give this love a love

Here we go again, here we go again  
Now you tellin' me she is just a friend  
Then why is she calling you at 3 o'clock in the morning  
I can't take this no more

Here we go again, here we go again  
Now you tellin' me she is just a friend  
Then why's she calling you at 3 o'clock in the morning  
I ain't tryna hear it (That's right, what am I fighting for)

If you want me baby, then show me or not  
'Cause now I am walking right out of your life  
And if you need me baby, come right out of the door  
and I know  
You're happy burning just right

Wo oh oh oh wo oh oh oh  
Wo oh oh oh wo ooohhh  
Wo oh oh oh wo oh oh oh  
Wo oh oh oh wo ooohhh

Can you feel me  
If you had to get, go on sad

Look in ya face without wantin' to slap you  
Damn I thank God I ain't get that tattoo

You better thank God I ain't had a strap boo  
You ain't even worthin' that trick get at you  
Matter of fact  
Trick get at dude  
I'm convinced  
Ain't got sh\*t to ask you  
And tell the triffin' b\*tch  
She can have you  
I ain't lookin' at you no more  
I'm lookin' past you

You keep fooling yourself  
When the (?) call out in you  
It's true  
My heart's beating so fast  
Can't see through your mask no more  
Not yours

Can you feel? Can you look in my eyes?  
Everywhere-where that I go  
Do you feel, do you recognize  
You can't give this love a love

Here we go again, here we go again  
Now you tellin' me she is just a friend  
Then why is she calling you at 3 o'clock in the morning  
I can't take this no more

Here we go again, here we go again  
Now you tellin' me she is just a friend  
Then why's she calling you at 3 o'clock in the morning  
I ain't tryna hear it (That's right, what am I fighting for)

If you want me baby, then show me or not  
'Cause now I am walking right out of your life  
And if you need me baby, come right out of the door  
and I know  
You're happy burning just right

Wo oh oh oh wo oh oh oh  
Wo oh oh oh wo ooohhh  
Wo oh oh oh wo oh oh oh  
Wo oh oh oh wo ooohhh
