Here I am out on the edge  
Out as far as I can get again  
Taking one more leap of faith,  
Throwing all of my caution to the wind

But why walk when you can fly?  
Oh I'd rather jump, I'd rather fall  
I'd rather trust, I'd rather try  
Why crawl when you can climb?  
Even if you're gonna hurt, even if you're gonna cry  
Why walk when you can fly?

Maybe I'd be better off  
With a few less tears, a few less scars  
But I'd never know how flying feels  
Never be here, never come this far

So why walk when you can fly?  
Oh I'd rather jump, I'd rather fall  
I'd rather trust, I'd rather try  
Why crawl when you can climb?  
Even if you're gonna hurt, even if you're gonna cry  
Why walk when you can fly?

I'm a believer, I'm a survivor  
Living on dreams and dancing with fire  
Gonna fight harder, gonna reach higher  
Keep on flyin'  
Keep on flyin'

So why walk when you can fly?  
Oh I'd rather jump, I'd rather fall  
I'd rather trust, I'd rather try  
Why crawl when you can climb?  
Even if you're gonna hurt, even if you're gonna cry  
Why walk when you can fly?  
When you can fly

Yeah

Oh I'd rather jump, I'd rather fall

I'd rather trust, I'd rather try
