I've been lookin' for a driver who is qualified  
So if you think that you're the one step into my ride  
I'm a fine-tuned supersonic speed machine  
With a sunroof top and a gangster lean

So if you feel me let me know, know, know  
Come on now what you waitin' for, for, for  
My engine's ready to explode, explode, explode  
So start me up and watch me go, go, go

Get you where you wanna go if you know what I mean  
Got a ride that's smoother than a limousine  
Can you handle the curves? Can you run all the lights?  
If you can baby boy then we can go all night

Goes from 0 to 60 in three point five  
Baby you got the keys  
Now shut up and drive  
(Drive, drive, drive)  
Shut up and drive  
(Drive, drive, drive)

I got class like a '57 Cadillac  
Got all the drive with a whole lot of boom in the back.  
You look like you can handle what's under my hood  
You keep saying that you will boy I wish you would

So if you feel me let me know, know, know  
Come on now what you waitin' for, for, for  
My engine's ready to explode, explode, explode  
So start me up and watch me go, go, go, go

Get you where you wanna go if you know what I mean  
Got a ride that's smoother than a limousine  
Can you handle the curves? Can you run all the lights?  
If you can baby boy then we can go all night

Goes from 0 to 60 in three point five  
Baby you got the keys  
Now shut up and drive  
(Drive, drive, drive)  
Shut up and drive

(Drive, drive, drive)

Cause' you play that game, got what I got (get it get it)  
Don't Stop, It's a sure shot  
Aint no Ferrari, huh boy, I'm sorry  
I ain't even worried  
So step inside and ride

So if you feel me let me know, know, know  
Come on now what you waitin' for, for, for  
My engine's ready to explode, explode, explode  
So start me up and watch me go, go, go, go

Get you where you wanna go if you know what I mean  
Got a ride that's smoother than a limousine  
Can you handle the curves? Can you run all the lights?  
If you can baby boy then we can go all night
