Lay it down, sleep
And don't think about me
Who don't have a partner
Mostly beautiful

But you have never been into my world
And that may seem like love
That may be my love

So far I've tried
You're always in my head
So far I've tried
So far I've tried
You're always in my head
So far I've tried

And all my life
I've been blind
And all this time
And I've been blind, oh so blind
I've been so blind
I've been so blind

Lay it down, sleep
And don't think about me
Who don't have a partner
Mostly beautiful

But you have never been into my world
And that may seem like love
That may be my love

So far I've tried
You're always in my head
So far I've tried
So far I've tried
You're always in my head
So far I've tried

And all my life
I've been blind

And all this time
And I've been

So far I've tried
You're always in my head
So far I've tried
So far I've tried
You're always in my head
So far I've tried
