You drop me like a mad dog.  
You shake me like a rag doll baby.  
You burn me like a lynch mob.  
You hang me but my neck's not breaking.  
[x2]

Draw the line with a colour that I won't walk on.  
Black and blue are the shade of your foundation.  
A canvas with a cleaner vision.  
A canvas with a clearer religion.  
[x2]

Once may make this seem cruel.  
Now you're nothing at all.  
[x2]

You drop me like a mad dog.  
You shake me like a rag doll baby.  
You burn me like a lynch mob.  
You hang me but my neck's not breaking.  
[x2]

Once may make this seem cruel.  
Now you're nothing at all.  
[x2]

I've made my mind up now I'm sticking to this.  
I won't be fooled again.  
I pin the alligator skin to my neck.  
And shed it on you.

You drop me like a mad dog.  
You shake me like a rag doll baby.  
You burn me like a lynch mob.  
You hang me but my neck's not breaking.

I drop you like a mad dog.  
I shake you like a rag doll baby.  
I burn you like a lynch mob.  
I hang you and we're separated.
