I'm dyslexic, can't you see?
I have a low reading level
Feel bad for me
All the girls laugh when I try to read
All the girls laugh
Their laughing at me
IM DYSLEXIC!
In English class I'm at level three
Curious George is a challenge to me
Last December my neighbor died
I tried to call the cops but I dialed 119
IM DYSLEXIC!
Once I had a tutor who tried to fix my academic speed
I punched her in the face and said
Bitch, I can't read
I'm Dyslexic
