I will be broken

Seven hours passed on your floor
Like nothings wrong
When they finally broke down the door
I heard that song

But you always said
You'd give it up
You'd give it up
You always said
You'd give it up
You'd give it up
You'd give it

I will be broken
With what you have spoken
I will be broken
With what you have spoken
I will be broken

Seven hours isn't that long
To wonder why
Didn't even pick up the phone
To say goodbye

But you always said
You'd give it up
You'd give it up
You always said
You'd give it up
You'd give it up
You'd give it

I will be broken
With what you have spoken
I will be broken
With what you have spoken

But you always said
You'd give it up

You'd give it up
You always said
You'd give it up
You'd give it up
You'd give it

I will be broken
With what you have spoken
I will be broken
With what you have spoken
I will be broken
With what you have spoken
I will

I will be broken
With what you have spoken
I will
