Tell me a secret

Rusted metal

Anxiously

Too sick to fix it

With a key

And there's just one more thing

To fake me before you go

I'll stare at you

You'll stare at me

And fill my hand with pins and needles

Don't go soft

On breaking my heart

Don't go soft

On breaking my heart

You're like rust

I'm falling apart

Tonight, tonight

Tonight, tonight

Blunt so you mean it

Slice it even just to see

What shades the middle

Was it faded

With disease

And there's just one more thing

To fake me before you go

I'll stare at you

You'll stare at me

And fill my hand with pins and needles

Don't go soft

On breaking my heart

Don't go soft

On breaking my heart

You're like rust

I'm falling apart
Tonight, tonight
Tonight, tonight

There's just one more thing
To fake before you go
I'll stare at you
You'll stare at me
And fill my hand with pins and needles

Don't go soft
On breaking my heart
Don't go soft
On breaking my heart

You're like rust
I'm falling apart
You're like rust
I'm falling apart
Tonight, tonight
Tonight, tonight
