Pack your bags and leave tonight
Can't you see that there's something not quite right
My doors are locked tonight
You want to run
Not that you mind

There's a train that tops for no one
There's a train that leaves tonight

And I said baby, baby, baby come on
Come on
You'll be alright
And I said baby you can do no wrong
Come on
You'll be alright

Please don't look at me that way
If I could
I would leave so you could stay
I'd live without your face

He's the one that looked just like you
He's the one who will take your place

And I said baby, baby, baby come on
Come on
You'll be alright
And I said baby you can do no wrong
Come on
You'll be alright

Just remember
You'll be alright
Just remember
You're safe tonight
Just remember
There was no choice
For you

And I said baby, baby, baby come on
Come on
You'll be alright
And I said baby you can do no wrong
Come on
You'll be alright
