Why couldn't you be a little more like someone else?
Signed bathroom walls
Empty stalls and blue hotels

I like when you burn me for the bad things that I do to
you

I didn't mean to hurt you boy
I didn't mean to break you oh uh oh
I didn't mean to hurt you boy
But this is how it's done x2

Try killing some time
With that chainsaw in your mind
So honey beware
You pick, you choose, you lose the dare

I like when you burn me for the bad things that I do to
you

I didn't mean to hurt you boy
I didn't mean to break you oh uh oh
I didn't mean to hurt you boy
But this is how it's done x2

Oooh

I like when you burn me for the bad things that I do to
you

I didn't mean to hurt you boy
I didn't mean to break you oh uh oh
I didn't mean to hurt you boy
But this is how it's done x2

How it's done x3
