Sick of talking.  
Tick. I'm tocking.  
Down the street and I'm sick  
Of the talk of the trick that's every time we meet  
But oh, I don't know why.  
Oh, I don't know why.  
Blinking, thinking something's moving 'cross my skin  
And I scratch the spot, I watch the dot, that's on the  
lens  
But oh, I don't know why.  
Oh, I don't know why.

Something's closing in and I can't do a thing.  
No, I can't do a thing but wonder.

He said I'm crazy, I know.  
He said I'm crazy, I know.  
All I can say is that the drugs don't work no more. (x4)

My face is shaking,  
Knees are breaking,  
To all of this and for once I'm mistaken  
The rules I've been breaking, make you sick  
But oh, I don't know why.  
Oh, I don't know why.  
My mind is in an oily state of screaming sin  
And the moment I want to relax is when the shit kicks  
in,  
But oh, I don't know why.  
Oh, I don't know why.

Now he's back again.  
And now he's brought a friend.  
And his friends brought a whole dark army.

He said I'm crazy, I know.  
He said I'm crazy, I know  
All I can say is that the drugs don't work no more. (x4)

da da (x8)

Sick of talking.  
Tick. I'm tocking.  
Down the street and I'm sick  
Of the talk of the trick that's every time we meet  
and I'm sick  
Of the talk of the trick that's every time we meet  
and Ohh ohh ohh

He said I'm crazy, I know.  
He said I'm crazy, I know  
All I can say is that the drugs don't work no more. (x4)

Drugs don't work no more
