I fixed myself upon your eyes
and you didn't mind it
It was a mutual kind of thing
My head spun round n round n round
surrounding me with a yearning so deep I bout straight
hit the ground!
cause' the joys in life aren't always free
but this tonight shines a smile so honestly,
Is this where we begin?
Episode one-have we begun?
God set his watch for perfect timing

and I'm not minding
I may be broke but I can play in the rain
And Ill take you out and thrash your doubt
surrounding you with a yearning so deep you'll bout
straight hit the ground
cause' the joys in life aren't always free
but this tonight shines a smile so honestly,
Is this where we begin'Episode one-have we begun?
