Hiding out, losing ground
years have passed and I want to start over
Bridge that gap, take a step back
Lets go back to our first summer
when I was a young boy we'd run without hesitation
Twelve hours a day and I could always feel you
what discolored us?
What turned you away?
Crawl back into my head cause I don't ever feel you,
no.
when were we outgrown?
when we were friends for so long...

Hiding out, losing ground
years have passed and I want to start over
bridge that gap, take a step back
lets go back to our first summer
It was me over your house or you over mine
not a day went "bye" that I wouldn't see you
tell me, remember the tears?
Remember the smiles?
what happened to you cause I don't ever feel you
...no!!!!!!!
