Fork in the road
is it a smile or is it a frown
that depends on how I see it
well I've been feeling up
I've been feeling upside down
take this time and watch it make a man insane
oh no
first big footstep off this carousel
not something why should question today
gotta get out, but how do I start moving when everyone
and everything factors in

"one fast move or I'm gone"(jack karouac)..I couldn't
be more like you.
a nomad in his straight circle again
insufficient self-esteem
I'm on the low end of my jubilance
there's a pot of gold I see it
wishing well.....well what you're saying to me is
sounding too intense..
