ji haan main hoon khalnaayak

naayak nahi khalanaayak hai tu
naayak nahi khalanaayak hoon main zulmi bada
dukhadaayak hoon main
hai pyaar kya mujhako kya khabar bas yaar nafarat ke
laayak hoon main
naayak nahi khalnaayak hoon ...

teri tabiyat to rangeen hai par tu mohabbat ki tauheen
hai

kuch bhi nahi yaad isake siva na main kisi ka na koi
mera
jo cheez maangi nahi vo mili karata main kya aur bas
chheen li
main bhi sharaafat se jeeta magar mujhako shareefon
se lagata tha dar
sabako pata tha main kamazor hoon main isalie aaj
kuch aur hoon
naayak nahi khalanaayak hoon ...

kitane khilaunon se khela hai tu afasos phir bhi akela
hai tu

bachapan mein likhi kahaani meri kaise badalati
javaani meri
saara samandar mere paas hai ek boond paani meri
pyaas hai
dekha tha maan ne kabhi pyaar se ab mit gai vo bhi
sansaar se
main vo lutera hoon jo lut gaya maan ka aanchal
kaheen chhup gaya
naayak nahi khalnaayak hoon ...
