[Intro]

[Verse]

Take me to your side  
Let me stay on the sidewalk  
Traffic building up not a safe walk home  
The luckiest girl on the planet

Luckily I saved some crackers in my pocket  
Every nickle spent chasing jackpots  
I'm... The luckiest girl on the planet

[Whisper/High Pitch/Light Voice]

Talk to me now  
Tell me what's wrong  
How can I change if you go

[Chorus]

Tell me something I don't know  
Tell me something I care about

Give me something tonight  
Give me something before I'll die

[Verse]

Write it down  
Every second is a love song  
Traffic building up walking through the cold  
The luckiest girl on the planet

Some of them are blinded  
Some are just lonely  
Either way I can't let you be afraid  
The luckiest girl on the planet

[Whisper/High Pitch/Light Voice]

Talk to me now  
Tell me what's wrong  
How can I change if you go

[Chorus]

Tell me something I don't know  
Tell me something I care about

Give me something tonight  
Give me something before I'll die

[Stick]

I will never be afraid if you'll stay  
I promise I will never be afraid if you'll stay  
I will never be afraid if you'll stay  
I will never be afraid if you'll stay

[Chorus]

Tell me something I don't know  
Tell me something I care about

Give me something tonight  
Give me something before I'll die

[Outro]
