Don't be afraid, R-Roma ..  
Can touch this? ..  
Do you wanna dance with me? ..  
Yea! ..

Stop! ..  
Question. How much will need for such a power of  
thought?  
So that when all around are satisfied rests on the  
numbers ..  
You're awakened in my heart, so many different  
shades,  
You are only nominally here and the feelings are  
hidden somewhere.

Tell me how many bubbles in the lemonade  
Okay, do not answer, why do you need ..  
Bite my lips, seeking eyes,  
And you my boy, are you still just do not know that ...

Chorus:  
I compose a novel, a man of my life  
I go to the eternal circle  
I am so very decided, reprinted thoughts  
And went to all her friends.

I compose a novel, Roma Roma Roman Roman  
A man of my life  
I compose a novel, Roma Roma Roman Roman  
A man of my life.

Perhaps not always work out to save someone's nerves  
..  
My religion - the fire and series in the first,  
I live alone I am, my family had cats,  
Yes, and no one will keep, well, maybe a little bit.

Tell me how many bubbles in the lemonade  
Okay, do not answer, why do you need ..  
Bite my lips, seeking eyes,  
And you my boy, are you still just do not know that ...
