Told you she's a ho, groupie luv
Yeah, lay me down in yo' town
An' I'm lookin' for some groupie luv
Can you help me out? Hey, Warren G, wassup?

I need a ride or die groupie that can get dirty in Gucci
On the floor, the hoopty, while she lovin' me up
I'm usually the instigator but ain't nothin' greater
Than a X-rater with a nickname like 'Vibrator'

I need to do a remix to 'Area Codes'
I got hoes an' plenty more
The way it kicks sometime is outta control
So when my nigga, Snoop Dogg comes an' kicks the
door

When I walk up in the door
You best to know it's pimpin' on the whole
213 gets the crunk for sure
An' they know about us everywhere we go
Hey, where the groupies at?

I was just about to call
'Til Snoop Dogg told me that he boned
'Til Warren G told me he rolled
I told you she's a ho

Yeah, Nate Dogg in the house tonight
Lookin' for some groupie luv
Yeah, Snoop Dogg in the house tonight
Lookin' for some groupie luv

Yeah, Warren G in the house tonight
Lookin' for some groupie luv
213, all in your face
An' we tryin' to find groupie luv

Lookin' for a chick
That love that West coast gangster shit
Yeah, girl, if you think that she's the one
Let's go an' have ourselves some fun

You ain't gotta bring nothin' at all
Just enjoy the adventures of the Dogg
I heard you like my smile
My rap, my pimp, my style

Well, it's on you, what it do?
You got to let Nate hit it too
'Cos when we come to your town
Rule is 'Pimps up, drawers down'
Hey, where the groupies at?

I was just about to call
'Til Snoop Dogg told me that he boned
'Til Warren G told me he rolled
I told you she's a ho

Yeah, Nate Dogg in the house tonight
Lookin' for some groupie luv
Yeah, Snoop Dogg in the house tonight
Lookin' for some groupie luv

Yeah, Warren G in the house tonight
Lookin' for some groupie luv
213, all in your face
An' we tryin' to find groupie luv

My fast scheme on them, we can tag team on them
That's what we need to do, just me, G an' you
It's cool when I'm seein' you
Get ready for a nine inch dick, me an' the D in you

I know you don't want to miss this
Some classic L.B.C., 213 shit
We in your city, get busy 'til you get dizzy
Tryin' to find all our fans to load them up in our vans

We hate to end the show
But there's a lot of groupies at the door
Another everyone to take a see
All aboard an' launch 213
Hey, where the groupies at?

I was just about to call
'Til Snoop Dogg told me that he boned
'Til Warren G told me he rolled
I told you she's a ho

Yeah, Nate Dogg in the house tonight
Lookin' for some groupie luv
Yeah, Snoop Dogg in the house tonight
Lookin' for some groupie luv

Yeah, Warren G in the house tonight
Lookin' for some groupie luv
213, all in your face
An' we tryin' to find groupie luv

You can sex me, you can lay me
Let's let that you can play me
Chimp ass niggas, they still amaze me
They on stage, tryin' to find to play me

You can sex me, you can lay me
Let's let that you can play me
Chimp ass niggas, they still amaze me
They on stage, tryin' to find to play me

Layin' me down, puttin' me down
An' I'm lookin' for some groupie luv
In yo' town, look what I found, right out
Yeah, in yo' town, look what I found
Yeah, I'm lookin' for some groupie luv
I told you she's a ho
