Sunset rests on the dirty road,
The clocks stop dead and the sky explodes,
I'm bloodshot red and I'm feeling fine
Take that gun girl and blow my mind.
Take that gun girl and blow my mind.

Boredom shaking idol hands,
Making friends with the high demands,
Brainwashed minds to slave in hell,
I've got them blues when you play me well.

TV teach me all I know,
To live in fear and to stay at home,
Baby save me no more time,
Take that gun and blow my mind.

Bang bang bang
Bang bang bang
Bang bang bang
Take that gun and blow my mind.
Bang bang

Stripped down life in my stripped down home,
The corporate stones broke my home grown bones.
I sign my name on the dotted line,
Take that gun girl and blow my mind.
Take that gun and blow my mind.

Bang bang bang
Bang bang bang
Bang bang bang
Take that gun and blow my mind.
Bang bang

Take that gun and blow my mind.

Sunset rests on the dirty road,
The clocks stop dead and the sky explodes,
I'm bloodshot red and I'm feeling fine
Take that gun girl and blow my mind.
Bang bang bang

Bang bang bang
Yeah yeah yeah
Bang bang bang
Bang bang bang
