I am the king of conflict  
What I want, what I see, never what I need,  
I'm like a cat and a mouse,  
Throwin' stones from a smashed glass house  
Where those freaks don't stop knockin'  
Another day, another enemy  
When I'm inside out,  
I'm inside out.

I want you more than happiness  
But I need you like the plague  
I wear my heart on a broken arm  
I'm like a rusty razor blade  
I want you more than happiness  
So I guess I'll do what I choose  
Hey girl, lay off my dead man's shoes  
Lay off my dead man's shoes

I am the king of conflict  
Diggin' into the hole in the market  
Standin' tall on my hands and knees  
Such a f\*cked up recipe

I want you more than happiness  
But I need you like the plague  
I'd live alone if I had a home  
Be lying in this mess I've made  
I want you more than happiness  
So I guess I'll do what I choose  
Hey girl, lay off my dead man's shoes

No rest, no sleep, no peace, no life, no one, no  
guarantees  
No home, no job, no cash, no boss, no suit, no sign on  
me

I want you more than happiness  
So I guess I'll do what I choose  
Hey girl, lay off my dead man's shoes  
Lay off my dead man's shoes  
Lay off my dead man's shoes

Lay off my dead man's shoes
