We'll walk around  
Pretending we're all grown up  
Hey, rich girls!  
Well, can you tell me why  
You're so stuck up?  
When you act like you're so down

I'll tell you everything I know,  
Any little thing I know. (x2)

Oh what a lovely way with words  
Is that the way I see the world?  
It's just the way I see the world

You got to know!  
You got to know!

We'll walk around  
Pretending we're all grown up  
Hey, rich girls!  
Well can you tell me why  
You're so stuck up?  
When you act like you're so down

I'll tell you everything I know,  
Any little thing I know. (x2)

Oh what a lovely way with words  
Is that the way I see the world?  
It's just the way I see the world

You got to know!  
You got to know!

I went down to your house last weekend  
You said, "Come on man,  
You don't have to point out everything that's bad.  
So there's a broken mirror on my bed,  
I'll clean it up, so what?  
You don't have to be such an asshole all the time."  
Oh, don't be like that

She said: ooh ooh ooh etc. etc.
