one day i went to the library
i found this book it was great
it was so cool i couldnt put it down
even when it got pretty late!

that night i had a scary dream
i mixed my own secret potion
added dirt, a bit o' sludge some eyes of flies
and a tiny dab of sun-tan-lotion

i started shaking, my legs were quaking!
my stomach aching, my brain was breaking!

i hid the book out of sight
it was so cool i couldnt keep away
so i took it out again that night!

and then i dreamed we had this test in school
i gotta say it was weird
we had to give the answers in semiform
and for extra credit grow a beard

i couldnt take it, just couldnt take it!
in one swift motion i grabbed my potion!
i said mister hyde has arrived,
tossed my flags on the floor
made a major speech,
told the teach this is all a big bore!

ran down all the halls, wrote on walls
even stole second base!
i was super bad, sure was glad
i wasnt wearin my face
cuz i was

this is too much, i simply had to stop!
i threw that potion away(potion away)!

just when it seemed there was no way out,
i saw the book was overdue
the booklady said "are you returning?"
i thought and i said "no, RENEW!!!!"
