"Without A Fight"

Visit "[Without A Fight](#)" on MotoLyrics.com

They want to strip you of one thing
Bring on the downpour
Toast the scapegoat
Magnify the eyesore
Back once more
This time to even the score
See to it they can't ignore this declaration of war
Taint provokes all purity
Contaminates the soul
Pain evokes these memories

That cannot be controlled
The jaded face of yesterday readies to attack
They say this is the price we pay
I say no turning back
Look into these eyes
Don't you realize
There's a life inside
That will not die without a fight
