We're going out out out no sleeping sleeping tonight
(Repeat)

Chorus:

I'm feeling naughty, I'm feeling good, I'm feeling

And got no plans and got no job and got no meaning
But I get my friends and all the time, and I want to party
And all the people follow me, you know I got it

There's no time, for sleeping tonight (x2)

There's no time time time for sleeping sleeping
We're going out out out no sleeping sleeping tonight
