I thought true love only existed

in fairy tales and two hearts could never beat as one

(two hearts could never beat as one) but one day he
smiled at me so sweetly and changed my mind
completely
now my life has just begun

chorus:

He makes me say yeah yeah yeah (yeah)

yeah yeah the boy makes me say yeah yeah yeah
(yeah)

yeah yeah my whole world has turned around
replanted
firmly on the ground since he came.
..came my way... and i know he's here to stay
(here to stay here to stay here to stay)

It's amazing the way my life is changing I'm so happy
since I found this special boy
(so happy since i found this boy) i wanna shout it
(oohh) and tell the world about it I'm in love and
I I can't help it for he's the one for me

chorus: He makes me say yeah,
yeah, yeah, yeah, yeah, the boy makes me say yeah,
yeah, yeah, yeah, yeah, my whole world has turned
around
replanted firmly on the ground since he came,
came my way and i know he's here to stay...

spoken: You know I never felt this way before
(yeah right) I'm not playing really
(sometimes boys play so many games) Your right
about
that but this boy he's different
(save the drama) I'm serious he's different he's sweet,

he's smart, and he's cute too but most of all he loves
me he really loves he really really loves me

hook: Yeah yeah yeah yeah yeah he makes me say
yeah
yeah yeah yeah ooohhh yeah yeah yeah yeah he
makes
me feel so good inside he's my boy he's my boy he
makes
me say say yeah yeah yeah yeah yeah yeah yeah yeah
yeah yeah yeah he's so good to me i love him yes i do
yeahhhhhhhhhh

yeah yeah yeah (til the end)
