Remember to cover me
that i might go in peace
Remember to keep me lifted
that i might go in spirit
Keep my name on your lips
When you pray remember this :
i need you
to cover me

Group
Continue to cover me
that i might go in peace
Continue to keep me lifted
that i might go in spirit (Hallelujah)
Keep my name on your lips
when you pray remember this :
i need you to cover me

Continue to pray me
that i may go in peace
Continue to keep me lifted
that i may go in spirit

Keep my face on your mind
when you go to god next time
Cause i need you
to cover me

Cover me with your prayer
Cover me from the snare

cover me even though you cant be there (even though
you cannot be there)
For the effectual fervent prayer of the righteous
availeth much
I need you (to cover me)
I need you (ooh i need you)
I need you
I need you (to cover me)
I need you (to shield me)
I need you (from all dangers...)
I need you (...seen and unseen)

I need you (cover me)
I need you (when i walk through the valley...)
I need you (... i will fear no evil)
I need you (i will fear no evil...)
I need you (...cause i got you christ)
Ooh I need you
I need you (oh my brother/My sister)
I need you
I need you
I need you (i need you there to remeber)
I need you (i need you to think about me)
Prayers of the righteous availeth much
I need you -Repeat to end
