strangers in my back yard  
selling you beliefs  
danger in my empire  
trouble on the streets

and I don't want to modernize  
and I don't want to rearrange  
I don't want to fix up  
and I don't want to change

hold on to the things that you love  
hold on to the things that you love  
hold on

danger in the papers  
danger in the magazines  
sell you ideas  
sell you false dreams

and I don't want to modernize  
and I don't want to rearrange  
I don't want to fix up  
and I don't want to change

hold on to the things you can feel  
hold on to the things that are real  
hold on

strangers in my back yard  
selling you beliefs  
danger in my empire  
trouble on the streets

and I don't want to modernize  
and I don't want to change  
I don't want to fix up  
I don't want to rearrange

hold on to the things you can feel  
hold on to the things that are real  
hold on to the things that you love

hold on to the things that you love

hold on to the things you believe  
hold on to the things that you see  
hold on to the one that you love  
hold on to the one that you love
