Into:

There's a sweet Spirit in this place.
There's a sweet Spirit in this place.

Watching over us and keeping us,
resting in our souls;
(there's a sweet Spirit, sweet Spirit),
(sweet Spirit in here).

Verse 1:

When I think about,
about all the things You've done,
for You kept me from danger seen and unseen
How could I ever thank you?

When I think about,
'bout all the changes I put You through;
I look up and see You're still there,
keeping me from falling
and lifting when I'm down.

Chorus 1:

There's a sweet Spirit in this place.
There's a sweet Spirit in this place.

Watching over us and keeping us,

resting on our souls;
there's a sweet Spirit, sweet Spirit,
there's a sweet Spirit in here.

Verse 2:

When I think about,
how You saved my life one day (yeah, yeah),
friends have turned their ever changing hearts away,
I was on my way out,
You, Lord had other plans for me.
And I don't really know what You need,
but here am I, Lord, here am I, Lord.

Chorus 2:

There's a sweet Spirit in this place.

There's a sweet Spirit in this place.

Watching over us and keeping us,
resting on our souls...

Vamp:
There's a sweet Spirit,
there's a sweet Spirit.
