well you look so good in your photograph
but you never dress up for me
yeah you look so good in your photograph
but you never dress up for me

well I'm your man, why don't you do it for me?

yeah I'm your man, why don't you do it for me?

well you look so good with your make up on
but you never make up for me
yeah you look so good with your make up on
but you never make up for me

well I'm your man, why don't you do it for me?
yeah I'm your man, why don't you do it for me?

I see them coming on don't it feel so good?
I see them touch you girl I wish that I could
fill you up I really wish I could

you're a hungry girl with a sweet tooth
baby it's hard to keep up with you
you're a hungry girl with a sweet tooth
baby it's hard to keep up with you

I'm your man you don't wait for me
yeah I'm your man you don't wait for me

I see them coming on don't it taste so good?
I see them kiss your lips I wish that I could
fill you up I really wish I could

I've got love why can't you see
I'd never make a fool of you
I'm as loyal and true as a man could be
I'd never make a fool of you

well I'm your man you don't wait for me
yeah I'm your man you don't wait for me

I'm out to say she tricked you
treat you like I should
is it the friends your with
who tear you up and fill you up
I wish I could
