"I Have Nothing"

You see through
Right to the heart of me
You break down my walls
With the strength of your love

I don't really need to look
Very much further
I don't wanna have to go
Where you don't follow
I'm holdin' back again
This passion inside
Can't run from myself
There's nowhere to hide

Don't make me close one more door
I don't wanna hurt anymore
Stay in my arms if you dare
Must I imagine you there?
Don't walk away from me, no
Don't walk away from me
Don't you dare walk away from me
I have nothing
Nothing
Nothing
If I don't have you
