"Goodbye To You"

This is my goodbye to you
It's a long time coming and it's overdue
Your not even in my world
And as I write these lines I'm over you
Even in the future when I think back to this song
I won't associate your name cause to me your dead
and gone

This is my goodbye to you
And now that your alone you can buy a clue
And go back to your world
Cause I think you fit a stereotype or two
And your future has already been planned for you
Not mine
So take your ordinary life and get your overpriced ass
in line

Your little town is like a high school
And It's not for me
So set me free
From the lies
Shut your mouth high school prom queen
Cause It's like tacks and nails attack the walls of my
mind
And maybe now it's time that I might say goodbye

All the whispers, pointing fingers: Aren't you such a
prize
While you remember all last winter
I'm on to my new life

(Her little town was like a high school)

Why don't you just shut your mouth
My high school prom queen

I'm so done with this
F*cking town it's like a high school
And it's not for me
So set me free
From the lies

Shut your mouth high school prom queen
It's like tacks and nails scratching nails down my spine
Now you're all alone

And oh look: Aren't you such a prize ?

All the whispers, pointing fingers
This is my goodbye

This is my goodbye to you
And now that you're alone you can buy a clue
THIS IS MY GOODBYE TO YOU
