The blow to my heart was worse than any pain could be
I wish I would have taken the 8 o'clock flight
Instead of the 7:15
Cause then he'd be gone and you'd be clean and I'd
never know
I'd much rather be ignorant
Than sitting here all alone
(Sitting here all alone)

You gave it all away
No you didn't have the right
I watched you pack your suitcase
No I won't put up a fight
Hold me like a vice
Walk out the door tonight
It's the story of my life

I'll fade to a black background as my pain takes the
drivers seat
A bag of pretzels and a diet coke was my last happy
memory
Cause now you are gone and I can see what I'll never
know
I'd much rather be anything than sitting here all alone
I'm all alone

You gave it all away
No you didn't have the right
I watched you pack your suitcase
No I won't put up a fight
Hold me like a vice
Walk out the door tonight
It's distorted
The contorted story of my life

Do you see me ?
I'd give it all to give you everything
Why can't you see ?
That it choked me like a vice
When you packed your bags tonight
Please don't try to write

Some chapter
(Ever after)
In the story of my life

You gave it all away
No you didn't have the right
I'll watch you pack your suitcase
No I won't put up a fight
Please stay with me tonight
Or hold me like a vice
It's distorted
The sordid story of my life
