Don't roll your eyes, I know you  
Can't stand the way that I move  
Good thing I'm not bothered by looks

Let's head back to our table  
'cause we're willing and able  
Let's make this one for the books

Let's toast the crowd  
Get heavy and loud (heavy and loud, heavy and loud...)

Tonight  
We got nowhere to go, nowhere to be but here  
Nowhere to go, nowhere to go  
Tonight  
We got nowhere to go, nowhere to be but here  
Nowhere to go, nowhere to go

Nowhere to go, nowhere to go  
Nowhere to go, nowhere to go

March to the bar, pretend we're  
Not who we are 'cause we are  
Seduced by the booze in our veins (in our veins, in our  
veins)

One look at you and I know  
You're in the mood, so lets go  
To the dance floor I got the reigns

Let's toast the crowd  
Get heavy and loud (heavy and loud, heavy and loud...)

Tonight  
We got nowhere to go, nowhere to be but here  
Nowhere to go, nowhere to go  
Tonight  
We got nowhere to go, nowhere to be but here  
Nowhere to go, nowhere to go

Nowhere to go, nowhere to go

Nowhere to go, nowhere to go

Nowhere to go, nowhere to go  
Nowhere to go, nowhere to go

Nowhere to go, nowhere to go  
Nowhere to go, nowhere to go

Go... (x8)
