There's always something in the way  
There's always something getting through  
But it's not me  
It's You  
It's You

Sometimes ignorance rings true  
But hope is not in what I know  
It's not in me  
It's in You  
It's in You

It's all I know  
It's all I know  
It's all I know

I find peace when  
I'm confused  
I find hope when  
I'm let down  
Not in me... me  
But in You  
It's in you

I hope to lose myself for good  
I hope to find it in the end  
Not in me ... me  
In You  
In You

It's all I know  
It's all I know  
It's all I know

In You  
In You  
Its in You  
Its in You

There's always something in the way  
There's always something getting through

But it's not me...me  
It's You  
It's You  
It's You  
It's You  
It's You  
(it's all I know) it's you....  
It's you  
(it's all I know) it's you....  
It's you  
(it's all I know) it's you....  
It's you  
(it's all I know) it's you....
