Old man, look at my life, I'm a lot like you

Old man, take a look at my life, twenty-four and I'm so
much more

Live alone in a paradise, makes me think of two
Love lost at such a cost, give me things that don't get
lost

Like a coin that won't get tossed, rolling home to you

Old man, take a look at my life, I'm a lot like you
I need someone to love me the whole day through
Oh, one look in my eyes and you can tell that's true

Lullabies, look in your eyes, run around the same old
town

Doesn't mean that much to me, mean that much to you
I've been first and last, look at how the time goes past
But I'm all alone at last, rolling home to you

Old man, take a look at my life, I'm a lot like you
I need someone to love me the whole day through
Oh, one look in my eyes and you can tell that's true

Old man, look at my life, I'm a lot like you
