When you hear this ya one Wailing Soul you know fe
true

When you hear this ya one ya Wailing Soul you no fe
joke (repeat)

Better stop this cultural diffusion
Spreading fear & confusion
Playing cloak & dagger wars
Losing what you fighting for

Back back, coming with a double attack
Step back, here comes the shark attack (x2)

What more do they want?
They have got all they need
Yet they turn their backs
On the hands that feeds them

Back back, coming with a double attack
Step back, here comes the shark attack (x2)

Wo wo wo wo yeah
Wo wo wo wo yeah
Wo wo wo wo yeah yeah
Wo wo wo wo yeah yeah
yeah yeah yeah

Yes it's a new world order, oh yeah
Another new world order, oh yeah
A wicked world order, oh yeah
A new world order, oh yeah

Back back, coming with a double attack
Step back, here comes the shark attack (x2)

Better stop this cultural diffusion
Spreading fear & confusion
Playing cloak & dagger wars
Losing what you fighting for

Back back, coming with a double attack
Step back, here comes the shark attack (x2)

A crucial world order, oh yeah
A wicked world order, oh yeah

Back back, coming with a double attack
Step back, here comes the shark attack (x2)

Wo wo wo wo yeah
