

Waiting For Autumn

"Forget Me Not"

"I am, I am," you said
"Forget me not, and you will see all"
'Cause you are, you are, in mind, a child
Though you refuse to be

Today I believe I'm getting older
Tonight I'll fall
You say you believe in something deeper but
I can't see at all
But I'm okay now

'Cause I am, I am, at best, a man
Trying, to find, a way
You are, you are, the voice in my head
Crying aloud, "Believe"
'Cause I am, I am," he said
"Forget me not, and you will see"

Today I believe I'm getting older
Tonight I'll fall
You say you believe in something deeper
I can't see at all

Today I believe I'm getting older
Tonight I'll fall
You say you believe in something deeper
I can't see at all
Today I believe
And tonight I'll fall

But I'm okay now
