(You know, you can't fall in love
If you're in love with your life)

Agar zindagi se mohabbat karoge
Mohabbat zindagi mein kar na sakoge
Agar dard-e-dil ki shikayat karoge
Mohabbat zindagi mein kar na sakoge

Ishq ke dard mein aaram hai
Ishq to rab ka dooja naam hai
Ishq ke dard mein aaram hai
Ishq to rab ka dooja naam hai

(Ishq ke dard mein aaram hai
Ishq to rab ka dooja naam hai
Koi hai kehta qayamat hai ishq
Koi hai kehta ibaadat hai ishq)

Agar dard-o-gham mein shifayat karoge
Mohabbat zindagi mein kar na sakoge

Ishq mein khwaab aaye aane do
Ishq mein jaan jaaye jaane do
Gham ke sailaab se darna nahin
Laab toofaano se takranein do

(Aate hain yeh khwaab aane bhi do
Jaati hai yeh jaan jaane bhi do
Sailaab aayi jo utha kabhi
Chaaahat ke toofaan se takraane do)

Agar saahilon ki chaaahat karoge
Mohabbat zindagi mein kar na sakoge
Agar zindagi se mohabbat karoge
Mohabbat zindagi mein kar na sakoge
