Don't try to tease me

Like you do

Don't try to tease me

Like you do

Im sick of you

And what you do

Don't try to tease me

Anymore

Don't try to tease me

Like you do

Don't try to tease me

Like you do

Im sick of you

And what you do

Don't try to lie to me anymore

Don't try to love me

Like you do

Don't try to love me

Like you do

Im sick of you

And what you do

Im sick of you

And what you do

Don't try to love me
